CLEAR EDGE

Mental Discipline for the ELITE Athlete

Working with Deborah really freed me up to Go Out and Dominate!

Deborah helped me find out the *real reason* why I play. With big events coming up and getting back on the road, **my motivation and drive wasn't there**. I didn't know how to get it back.

Deborah's methods gave me the motivation, drive and the fortitude to go out and work hard again.

The ClearEDGE Methods are my 15th Club ...

that I've needed my whole career. **I'm now picking up that shot emotionally and mentally ... that's *huge* for me!**

THE CLEAREDGE DIFFERENCE

Confidence wise my work with Deborah has been huge. I no longer have a bunch of baggage in the pit of my stomach when I go out there and tee-it up.

I am a lot more free to play now.

- **I feel like Deborah's been around the game 20-30 years** even though she hasn't. At first I was a little bit leery about working with her. Golf is what I know, my passion and what I love. So to let someone from outside of golf in was a little scary.

But from day one she captured my attention.
