

TESTIMONIAL

*Deborah Dubree's sessions with my clients have been invaluable in achieving optimal performance at critical events leading up to the NFL draft. All achieved significantly better than anticipated results! Her methods gave them the **confidence** and **tools** required to **maximize their talents**.*

Working with Deborah has been a pleasure as she has made herself available to myself and my athletes 24/7. She is a dedicated professional and I highly recommend her services.

2011 PRO DAY RESULTS

Several draft-eligible players represented by Jerry Marlatt, benefited after working with Deborah Dubree and the ClearEDGE Method:

- ❖ **James Kirkendoll**, a wide receiver, ran a **4.32 40-yard dash**, compared to his goal of 4.40. **His broad jump of 11 feet** was **THE THIRD BEST OF ALL PLAYERS ACROSS THE COUNTRY THIS YEAR** and he's been invited to visit with the Houston Texans.
- ❖ **Donald Buckram**, a running back coming off recovery from having his meniscus cleaned up, ran a **4.39 40-yard dash**, after setting a **goal of 4.48**. He also achieved a **34-inch vertical**, which was **2-inches greater than his goal**.
- ❖ **Bront Bird**, a middle linebacker with a 2nd degree MCL sprain in January 2011, ran a **4.72 40-yard dash**, after setting a **goal of 4.79**. He achieved a **31.5-inch vertical** after setting a **goal of 31**. He's working out with the New York Jets and has interviewed with the San Diego Chargers.
