

## TESTIMONIAL

**Down by 1 point with 5 seconds left.  
It was Baylor's sold out season  
opener against our rival TCU.**

**I felt so Calm and Confident ...**

**I E-magined™ the Perfect Snap while  
I was on the sideline, like Deborah  
taught me.**

**On the Game Winning Play  
I was able to make that  
PERFECT SNAP!**

**We WON!**

### THE CLEAREDGE DIFFERENCE

**I used to have a trigger moment where I would become  
Very Tense, Start Worrying and Over Thinking Things  
On a Scale of 1 – 10, my Confidence level was about a 3.**

**NOW, using the ClearEDGE techniques during High Intensity  
Game Winning Plays ... I'm at a 10!**
